My Shadow and Me is our all-inclusive version of “Mommy and Me.” My Shadow and Me classes are for dancers 15 months to 3 years old. It is an introduction to dance that includes dancing, singing, socialization and learning through props and repetition.

BALLET/LYRICAL

Ballet is the foundation of all dance. Students are highly encouraged to study it first or in combination with other classes. Dancers will learn proper terminology and technique. Classes will include ballet stretches, barre work, center work, across the floor and choreography.

Younger dancers will learn the basic fundamentals of ballet while developing their fine and gross motor skills. Dancers will be guided through fun and creative movement games and action songs.

JAZZ

Jazz classes are fun and energetic! They include elements such as kicks, leaps, turns, splits and isolations. Classes consist of stretch and strengthening exercise, floor work and across the floor progressions in addition to center floor combinations.

CLASSES

HIP HOP

Hip Hop is a high energy class combining street dance with funk and jazz commonly seen on TV and in music videos. Hip Hop teaches coordination, strength, flexibility, rhythm and endurance. Dancers can expect to learn the history of hip hop and its variety of styles

We understand that every dancer grows at their own pace. If a dancer demonstrates the skill level and social maturity needed to advance beyond their age group, a placement exception may be made at the discretion of Miss Annie. Our goal is to place each dancer where they will thrive — building confidence, technique, and a lifelong love of dance.

INCLEMENT WEATHER & CLOSURES

Weather-Related Closures

- If the studio is closed due to inclement weather (e.g., snow or ice), you will be notified via:
 - Text message
 - Email
 - Facebook (main page and private parent group)
 - Instagram

Please check all platforms before calling or texting to inquire about class status.

Instructor Emergencies

- In the rare event that a class must be cancelled due to an instructor emergency, a make-up class will be scheduled.

ATTENDANCE POLICY

Timeliness Matters

- Dancers must arrive on time for all classes.
- Late arrivals may be asked to sit out and observe at the instructor's discretion.
- This is to ensure proper participation in warm-ups, which are crucial for preventing injuries.

Impact of Absences

- A minimum attendance level is required for class progress and potential recital participation.
- Frequent tardiness or absences may negatively affect a dancer's skill development and performance readiness.

Reporting Absences

- Absences can be submitted easily through your Parent Portal.
- If your dancer will miss more than one class, please call or email the studio directly.
- While we understand that last-minute situations happen, advance notice is always appreciated whenever possible.

MAKE-UP CLASSES

- If you missed a class for any reason, please email the studio to schedule a makeup!
- Make-up classes are only valid within the season you are currently enrolled
 - They do not roll over to a future season

LOBBY & VIEWING AREA POLICY

We welcome families to observe their dancers through our viewing window, located between the lobby and the studio. To ensure a safe, comfortable environment for all, please review the following lobby guidelines:

Lobby Guidelines

- Only one parent or guardian per dancer may stay during class, due to limited space
- We kindly ask that you avoid bringing siblings whenever possible
- Please be courteous and clean up after yourselves

Safety & Access

For the safety of our students and staff:

- The front door will remain locked during class if the lobby is unoccupied
- The door will be unlocked once class concludes
- Please do not knock on the door while class is in session, as it disrupts learning

Overcrowding

- If the lobby becomes overcrowded or disruptive, we reserve the right to close the lobby temporarily for safety and to maintain focus in the studio
- Our priority is always the safety and success of our dancers—not monitoring lobby behavior

BATHROOM

We have one restroom available for student and parent use. To help minimize class disruptions, please review the following guidelines:

Before Class

- Please ensure your dancer uses the bathroom before class begins
- In our experience, one trip often leads to many, which can significantly interrupt class flow and instruction

During Class

- Dancers are not required to ask permission to use the restroom
- If your dancer needs assistance in the restroom (e.g., younger dancers), we ask that a parent or guardian remain nearby during the class
- We recommend practicing taking leotards and dancewear on and off at home before the season starts to help your dancer feel more confident and independent

CLASSROOM BEHAVIOR

We believe dance is a place for growth, respect, and joy. To keep our environment positive and productive, we ask dancers to:

- Show respect and attentiveness to their teachers and classmates at all times
- Use polite behavior and good manners both in class and in the lobby
- Maintain a positive attitude and give their best effort when learning new skills
- We encourage the phrase “I will try my best” instead of “I can’t”
- Leave any tough days at the door and let dance be a place of freedom and expression

If your dancer is having a particularly hard day, please text or email the studio so instructors can provide extra patience and care.

Please note:

- Instructors reserve the right to dismiss a student from class for the day if their behavior is disruptive or disrespectful.

CELL PHONE USE

Dancers are asked to please keep cell phones and other devices in their dance bags. Dancers may check their phones during breaks or between classes.
